Dear Mr. Parida:

Subject: National Board Certificate of Authorization to Register  
Type of Issuance: New  
**EXPIRATION DATE:** November 16, 2013

Enclosed is your company's National Board Certificate of Authorization to register boilers, pressure vessels, and other pressure retaining items manufactured in accordance with a code of construction accepted by the National Board.

A renewal notice for the National Board Certificate will be mailed three (3) months prior to the expiration date shown on the certificate.

The enclosed instructions contain information necessary for the registration process. It is suggested that this information be retained for future reference. If you have any questions, please contact Connie Luckeydoo in the Authorization Department at 614.431.3230.
